Claims 1-27 are presented for examination.

The amendments and remarks filed on August 14, 2008 have been received and entered.

***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-27 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 1-14, 16 and 17 are indefinite as to the expression “a therapeutically effective amount”. Such claims fail to set forth the disorder that the therapeutic amount has been used for. Claim 15 is indefinite in failing to set forth what the pharmaceutical composition in a tablet and time release capsule is used for.

Claims 18-27 are indefinite as to the expressions “at least one therapeutic agent that is different from tetraalkyl ammonium tetrathiomolybdate” and “at least one component of an assay system for determining serum ceruloplasmin levels”. Such phrases fail to set forth the intended agents or components.
